 Crystal gold / Kristalle Gold

Mesh material included / Netzstoff eingearbeitet

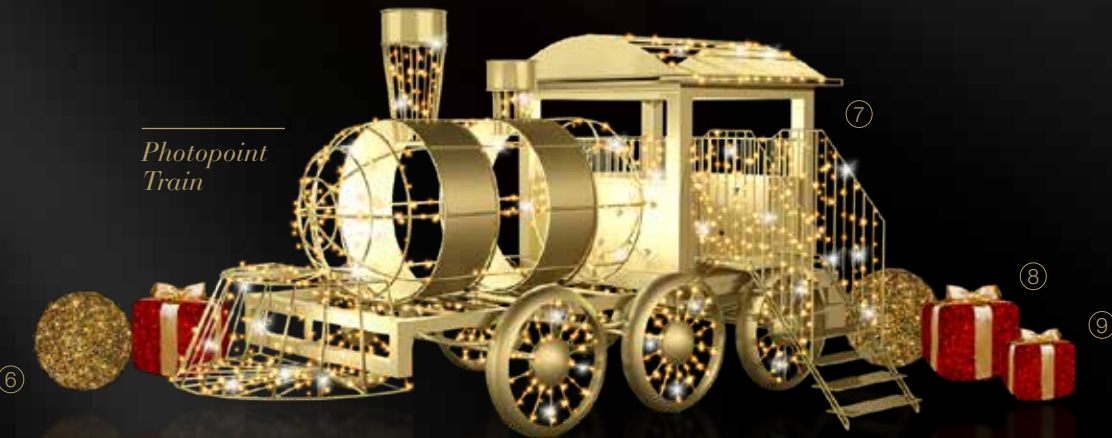

Was bringt Menschen dazu, auf den Auslöser zu drücken und ein Bild mit Freunden und Familie oder ein originelles Selfie zu knipsen?

Im wahrsten Sinne des Wortes besteht die Herausforderung darin, einen echten Blickfang zu erzeugen.

Das gelingt mit dem richtigen Motiv!

Spannend und außergewöhnlich muss es sein - Strahlkraft besitzen - um zu einem regelrechten „Foto-Point“ zu werden.
